## Presidents Comment

**Intermediate and Senior Camp:** This was a huge success. We would all like to thank Rachel for organising the camp and especially Jenny Lornie who organised the food (as well as the parents). Both the parents and the children learnt a lot. Many of the swimmers then attended the Hamilton Winter Meet, with many personnel bests achieved. **Junior Clinic:** I hope that you have all found out about the Junior Clinic. If not I would really like to apologise, there just never seems to be enough time for everything and many of us are all still trying to find our way.

**Next Committee Meeting:** Wednesday 10<sup>th</sup> August. **Swim Waikato** had a meeting to discuss how the Waikato clubs can work together with the goal to become the Leading Region in NZ swimming. A subcommittee has been formed and will be putting together a plan. Cheers Carolyn.

**Club Night.** There will be another combined club night with Fairfield on Wednesday 27 July from 6.30. Fun is the idea here. Programme to be advertised. **Next one** will be Wednesday 31 August.

**Junior Clinic** 23<sup>rd</sup> July 8am Waterworld Te Rapa  
See website for details or phone Jody Meehan  
823 6393

**Scholarship.** The Rovers Swimming Club has a limited number of Swimming Scholarships available for promising young swimmers whose families would not normally be able to afford to swim at a club. Confidentiality is guaranteed. If you know of any children please contact Carolyn Edwards 823 6453.

**High Quality Photos**  
needed for our website

## Officials

One parent from each family is expected to do their timekeepers badge. This is not hard and can be completed at any time. We are holding a group session on Saturday 23<sup>rd</sup> July 2pm Waterworld Te Rapa. If you cannot make this time please phone Jody Meehan to organise another date. Information on taking the badge can be found on the Swim Waikato or Rovers website. If there are any timekeepers who are ready to move on to their IOT please let us know.

## Suggested Carnival Guide
